## School Uniform Policy

Students are expected to dress in harmony with the basic principles of health, modesty, appropriateness, and attractiveness. The dress code attempts to create an atmosphere most conducive to sound educational practices and mature grooming. Students who come to school dressed improperly will be sent to the office to call home and wait for proper attire to be brought to them. When a matter of appropriateness or modesty is in question, the faculty interpretation will be the determining factor.

**General Guidelines:** Tops must be polo-style embroidered with the school logo.  
Hair and clothing must be kept clean and neat at all times.  
Makeup and fingernails should be a natural color.
